

Read It

Read 2 Chronicles 16:1-14

Open It

What was the first prayer you prayed asking God for His help?

Consider It

What is the LORD looking for among people (16:9)?

What did the LORD observe in King Asa (16:1-7)?

How did the LORD shine the light of truth on King Asa's behavior (16:7-9)?

How did King Asa respond to God's word (16:10)?

What was King Asa's failure?

What does whole-hearted devotion look like?

What lesson should we learn from King Asa's example?

Live It

Continue praying, "Speak LORD, Your Servant is listening" before your daily Bible reading through November 25th.

What is lacking in your devotion to the LORD? What would whole-hearted devotion look like in your life?

Pray "Search Me, O God and Know my heart. Shine the light of your word into the dark corners of my heart. May your Spirit show me of my failure, so that I confess it and turn to you for help."

Family Activity

Watch "Showing Respect to God through Prayer" on Mr. Phil TV and then, read 2 Chronicles 16:1-14 and discuss how King Asa failed to showed respect for God.

Dangerous Prayers: Don't Pray It Safe

The Search Me Prayer

Psalm 139:24

October 24 & 25, 2020

Sermon Proposition

Don't pray it safe! Pray, "Search Me, O God and know my heart" for three reasons.

First, My Heart Needs Probing.

Second, Only God Knows Me Perfectly.

Third, God Works for My Good.
